†Sri N. RACHIAH.—Government are aware.

Sri T. TARE GOWDA.—Are the Government aware that this request has been repeated since the past five years ?

Sri N. RACHIAH.—Yes, Sir.

Sri C. J. MUCKANNAPPA.—May I know the distance between Sira and Tavarekere ?

Sri N. RACHIAH.—The Hon'ble Member is quite aware of the distance.

Sri C. J. MUCKANNAPPA.—I want to know the exact reply from the Gover. ment.

Sri N. RACHIAH.—Eight miles.

Sri C. J. MUCKANNAPPA.—When Government considers to have a veterinary hospital in the taluk, will they select a more sui able place and will they consider Kallambella as the place to house the Veterinary Hospital as it will serve both Gubbi and Tumkur ?

Sri N. RACHIAH.—That place is also eight miles.

Sri C. J. MUCKANNAPPA.—Will the Government consider the desirability to start a veterinary hospital at Kallambella during the current year ?

Sri N. RACHIAH.—During the next year, Government is considering to start a veterinary dispensary at Tavarekere.

Sri T. TARE GOWDA.—Are Government aware that Tavarekere is a central village and the location of a veterinary dispensary at this place will be useful for nearly one lakh of cattle round about the village ?

Sri N. RACHIAH.—Government are aware of this fact. That is why they are proposing to start a veterinary dispensary at Tavarekere.

Sri G. VENKATAI GOWDA.—Is it the policy of the Government to provide veterinary hospitals where fairs are held ?

Sri N. RACHIAH.—A veterinary dispensary is located where there is a demand.

Sri G. VENKATAI GOWDA.—At least is that the principle adopted in the location of veterinary dispensaries ?

Sri N. RACHIAH.—The principle adopted is—according to the demands and when they receive representations and when they feel the necessity for such veterinary dispensaries, Government will start them.

**Completing of feeder channel from Chinga village in Tumkur Taluk.**

*Q.—124. Sri G. N. PUTTANNA (Tumkur).—

Will the Government be pleased to state :—

(*a*) whether they are aware that the excavation work of a feeder channel from Chinga village, Kora Hobli, Tumkur Taluk, from Kannargundi Halla near Chinga, has been stopped since twelve years ;

(*b*) whether they are also aware that major portion of the Channel work which was completed is spoiled ;

(*c*) whether they will take action to complete the work now during the rainy season when the soil is wet ?

*A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(*a*) No. The work has not progressed for the last two years.

(*b*) No. The work done so far is not spoilt. The box cut of the channel is now made which has scoured here and there. This scouring will get absorbed in trimming the slopes which work has yet to be done.

(*c*) The work will be resumed as soon as acquisition proceedings are over and the land is handed over to the Public Works Department.

Sri G. N. PUTTANNA.—In answer to question (*a*), the Government have stated that the work has not progressed for the last two years. I would like to bring to the notice of the Hon'ble Minister that the work has been stopped for the last twelve years. I do not want to press further. Will the Hon'ble Minister kindly inspect the spot and take up the work early ?

†Sri H. M. CHANNABASAPPA.—I would like to submit for the information of the Hon'ble House that the estimate itself was sanctioned in 1955. I cannot understand an Hon'ble Member making a statement of this kind that the work has been stopped 12 years back.

Sri G. N. PUTTANNA.—I would like to bring to the notice of the Hon'ble Minister that I had a personal talk with the Executive Engineer yesterday and came to know that the work was first started 12 years ago when the first estimate was sanctioned subsequently the estimate was revised, that another estimate was prepared, and the work was started and half or three-fourths of the work was done ..... I have seen with my own eyes. Will the Hon'ble Minister.....

Sri V. P. DEENADAYALU NAIDU.—I rise to a point of order. Are we bringing into discussion the questions or discussions that took place yesterday between the Engineer or some other official and all that? Is this the basis on which questions and supplementaries are put? The discussion that took place yesterday with some official, is it the subject matter of interpellations?

Mr. SPEAKER.—He is putting a question. There is no harm. The point that has been raised by my Hon'ble friend is—if the Hon'ble Member wants to put a question, he should not bring in the talk that he had with the officers. If the Hon'ble Member wants information, a direct question may be put.

Sri G. N. PUTTANNA.—I have seen the spot. According to my personal information an estimate was prepared 12 years ago and the work started and stopped then. Will the Hon'ble Minister accept the fact and inspect the spot?

Sri H. M. CHANNABASAPPA.—In the light of the information now given, I do not like to inspect the spot.

Sri G. N. PUTTANNA.—Will the Government take up the work soon?

Sri H. M. CHANNABASAPPA.—That will be done.

Sri G. N. PUTTANNA.—The Hon'ble Minister was pleased to say that the estimate was sanctioned in 1955. It is now 1959. What was the reason for not acquiring the land for four years?

Sri H. M. CHANNABASAPPA.—Acquisition had to take place. Some of the people did not permit to excavate the channel. So acquisition had to take place. And it takes some time to acquire

Sri G. N. PUTTANNA.—My question is not answered. Four years have been taken to acquire two acres of land. Why?

Sri H. M. CHANNABASAPPA.—Sometimes acquisition takes a long time. As a lawyer you know that when a land is acquired, a stay order is brought and so acquisition proceedings drag on and it takes time.

Sri G. N PUTTANNA.—Are there any interferences by the public?

My intention is to bring to the notice of the Governnment the long delay. I am not for arguing. Is it a fact that any person has interfered?

Sri G. DUGGAPPA.—Can an Hon'ble Member directly put puestion to another Hon'ble Member and show fingers?

ಅಧ್ಯಕ್ಷರು.—ಹಾಗೇನಲ್ಲ.

ಶ್ರೀ ಜಿ. ಎಸ್. ಪುಟ್ಟಣ್ಣ.—ಸೆಕ್ಷನ್ 17ರ ಪ್ರಕಾರ ಅಕ್ಯೂಷಿಷನ್ನು ಮಾಡುವುದಕ್ಕೆ ಇರುವ ತೊಂದರೆ ಏನು?

Sri H. M. CHANNABASAPPA.—I caunot say whether there was interference from any outside agency. Anyway, I concede that there has been certain amount of delay and I can inform that acquisition has already been finalised and possession of the land will be taken and work started very shortly.

## Construction of a tank at Chinga Village.

*Q.—125. Sri G. N. PUTTANNA (Tumkur).—

Will the Government be pleased to state:—

(*a*) whether they are aware that the people of Chinga and other half-a-dozen surrounding villages have been urging for the construction of a tank at Chinga village, Kora Hobli, Tumkur Taluk, for the last ten to fifteen years;
